**Description:** The software in the 14-inch multimedia (center) display in these vehicles could cause the display to show a half green, full green, or full black screen.

If this occurs while the vehicle is in reverse, there can be an increased risk of a crash with a person behind the vehicle.

**Remedy:** Any authorized Toyota dealer will update the multimedia display software FREE OF CHARGE. In addition to remedying the noncompliance, the remedy software will also contain various other software optimizations and bug fixes such as:- Improvements for the reliability of Android Auto and Apple CarPlay connectivity; - Reducing certain unnecessary prompts in the user interface; - Defaulting to the last source screen upon start up; and - Optimizing the software to ensure backup image display time.

**Glossary****First Owner**

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

**Manufacturer Recall**

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

**Ownership History**

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

**Title Issued**

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a

registration and bill of sale are used as proof of ownership.
