⊖ **Learn more about this campaign**

Description: Under certain conditions, particularly in high temperature and high humidity areas, the air conditioning expansion valve in certain Toyota models may malfunction. As a result, there will be a gradual reduction of air conditioning efficiency and eventual loss of cooling capability.

Remedy: Toyota will initiate a Special Service Campaign to inspect the air conditioning system, inject an anti-corrosion lubricant (Toyota ND6 AC Refrigerant Oil Charge) or, if necessary, replace the air conditioning expansion valve on certain 1989 - 1993 Toyota models.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Service Campaign

Automobile manufacturers issue a service campaign to address product technical issues that may not be related to safety or emissions standards. These issues are typically customer satisfaction initiatives.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
